Silas Bartsch School
## 2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/ For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/ For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

A district textbook adoption committee is established for the process of textbook adoption. Each school site or grade level is represented on each textbook adoption committee. At Silas Bartsch School, there are sufficient textbooks and instructional materials for each of the core content areas. Each pupil, including English Learners, have access to district adopted texts, workbooks, or other supplemental instructional materials to use in class and to take home.

School Facility Conditions and Planned Improvements

The Silas Bartsch campus officially opened on October 27 2008. The school was built during the first three months of the 2008-2009 school year. All facilities were completed in October of 2008. The grounds and fields were completed in March of 2009. Silas Bartsch School has added two playground areas to its campus during the spring of 2009. Most recently, a new black top area complete with basketball courts has been added. Construction of two shade structures will begin in winter of 2015. In the fall of 2019, solar panels were added to the north parking lot.

The Silas Bartsch School campus consists of an administration building, library media center, and multipurpose building. Silas Bartsch School is surrounded by undeveloped land but anticipates developement of its' surrounding community. There is an existing plan for the addition of classrooms when needed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options
Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Since opening in 2008, Silas Bartsch has maintained a strong parental involvement component through participation in the District Advisory Committee, School Advisory Committee, School Site Council, PTC, and ELAC. Up until the COVID 19 pandemic, parent and community volunteers were often in our classrooms and served as volunteers at school events. Since 2013, SBS has provided parent education opportunities such as Parenting Partners, Latino Family Literacy, and information regarding social emotional issues our children face today. At our spring carnival, we survey our parents regarding topics they wish to learn about for the coming school year. We use this survey to build our academies for the following year. Recent topics included: bullying, drug and alcohol abuse, vaping, teen suicide, social media, etc. This year we are offering Parent Academies covering the following topics: Parent Engagement for Academic Success, Social, Emotional Learning, Communicating With Your Child, and Promoting Self-Esteem. If you have any questions or would like more information about Silas Bartsch School, please contact Rodney Cisneros by email at cisneros-r@kcusd.com or by phone at 559-305-7360.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.02	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The Silas Bartsch School Safety Plan ensures that our school campus will provide a safe environment for students, staff and the public. This environment will ensure that students have a place to foster educational, social and emotional growth. The plan is written to respond to natural disasters, accidents, acts of violence and other situations in a way that ensures safety for all students. In the fall of 2013, SBS School Site Council authorized the addition of a School Social Worker to support our students and families that need assistance in providing a safe and healthy environment for our students. The plan has been reviewed by the Silas Bartsch Advisory Council on an annual basis since 2010. The plan is also reviewed annually by the SSC and the faculty of Silas Bartsch school. It was last reviewed in September of 2021.

Silas Bartsch School is implementing the Positive Behavior Intervention System known as PBIS. This is a school environment plan that emphasizes effectively communicating expected behavior of our staff and students. Silas Bartsch School has adopted ROAR; R-respectful O-organized A-ambitious R-responsible. This campus wide program has both an educational component and an intervention system for students. Our school has been recognized annually as a Gold Model school since the 2015-16 school year.

2020-21 Types of Services Funded

Silas Bartsch School receives general State of California and state lottery funds. In addition, SBS benefits from an After School Education and Safety Grant (ASES) and Title I part A funds.
These funds have enabled SBS to provide intervention, enrichment, and social/emotional support systems.
Supplemental/Concentrated funds are also utilized to support Chronic Absenteeism, School Safety/PBIS, Parent Academies, Migrant, Puente, and After School Programs.

The School Site Council reviews the School Plan for Student Achievement annually. The SSC will review site expenditures and student performance to modify the plan to address the needs of all students.

KCUSD provides Silas Bartsch School with a review of the KCUSD Instructional Action Plan on an annual basis. The actions and goals of this plan provide the framework for the academic operation of Silas Bartsch School.

Professional Development

Silas Bartsch School continues with an emphasis on structured and accountable student interaction. The focus of professional development has been on instructional strategies and lesson delivery. This has been done through review of model lessons, teacher coaching, interactive coaching, video lesson studies, co-teaching, strategies that assist English Learners and the deconstruction of content standards. Silas Bartsch is also providing professional support for Thinking Maps strategies. Thinking Maps provide a consistent process for students to categorize and apply information during instruction. In the 2018-19 school year SBS teachers received training on the use of sentence and response frames. The emphasis has been on instructional practices that will support language development.

Our school has also received training on analyzing data using Illuminate. Illuminate provides data analysis support of school/district assessments. This feedback is used to analyze current learning and assist in the next steps of learning.

Professional Learning Communities continues to be a focus for Silas Bartsch. The staff is coordinating lesson plans, pacing, and analyzing data together. These practices provide for a results driven environment. In 2019 - 20, we began our journey in learning Achievement Teams. The focus is on building and administering short cycle assessments, goal setting, and critical analysis of state standard targets.

In the spring of 2020, we began an urgent focus on utilizing Google Classroom and Zoom in order to support Distance Education.

In 2021-22, our work on structured student interaction and writing continues with a focus on high-leverage teaching strategies and best practices.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
